From the Principal's Desk

Dr. Sweta Malani
Principal

Dear parents and my dear students

Congratulations on your marvelous result of class 10th and 12th CBSE board examination. It is a matter of great pride that even during the adverse situation of COVID-19 pandemic, our students have come in flying colours with their wonderful result. It is equally the outcome of the combined efforts of parents, teachers and all the supporting staff that we have achieved this result. It will remain our untiring effort to bring laurels in saga of the achievement of O P Jindal School. Moreover, we are committed to find multiple ways to enrich teaching learning process.

Hopefully, as the wave of the pandemic has started to subside, we have resumed our offline classes for the students of class IX, X, XI and XII, whereas we intend to go completely offline mode if the situation permits. It gives immense delight to see the students in our school back.

But the tough times have taught us to face challenges and I am sure that school will grow by leaps and bounds in the coming sessions.

Let's combine our efforts to create a synergy to accomplish our goal to bring excellence in scholastic and co- scholastic arena.

Smart Work is better than Hard work

“You are braver than you believe, stronger than you seem and smarter than you think”

We would have seen people debating in many places, "Does Smart Work leads to Success or Hard Work leads to Success? It's a right topic that needs an awareness because people get confused in their approach while performing tasks. Smart Work helps a person complete work more efficiently. Smart Workers give priority to their tasks, complete the most important ones first and the rest later. This makes their job easy since they can act towards a solution depending on the priority.

On the other hand, it is really hard to find very clear guidelines on what working smart really means and how it's different from hard work. It's very obvious that Smart work is the fruit of hard work. Smart work saves time. It allows us to be more organized and also gain recognition quickly. On top of that many people work hard, but only a few become really successful. That's because smart work is what makes the difference.

Through hard work we gain experience. This experience enables us to think smartly to solve a critical problem and achieve success.

Strategies to Smart work:

- ☑ Do physical and creative work.
- ☑ Know what you want.
- ☑ Look on the bright side of it.
- ☑ Think before acting.
- ☑ Put yourself first.

I would like to take this opportunity to thank all the teachers for the efforts they are putting together to teach our children.

Preparing lessons, making kids learn through fun, all this through online platform. It is very difficult to teach such small kids online. However, you all are making sure that each kid gets proper attention and the learning is smooth.

I really appreciate the fact that focus is not just on finishing the syllabus but also ensuring that each kid is learning properly. The kids are also enjoying the co-curricular activities which are taking place along with the main subjects. It makes them look forward for the classes.

It is indeed a very difficult time for all of us but the teachers are making sure that learning doesn't stop.

Once again thank you to all the teachers who are helping the children learn today and every day.

My heartiest good wishes to the Principal, teaching and non-teaching staff members, parents and students on this occasion. I wish the newsletter a grand success.

With best compliments,

Parent's Corner

The Nationwide lockdown that began at the end of March in the year 2020, due to COVID 19 pandemic, caused a major disruption in the schedule of our entire country. Our students too were affected with the closure of schools just before the new session was to commence. In order to provide a sense of continuity and stability to them during these unprecedented times, the team at O P Jindal School, Patratu left no stone unturned in exploring new avenues of learning.

The school faculties and the management worked around the clock to ensure smooth transition from classroom teaching to interactive online sessions with the support of technology which have been running successfully over the past months. Their hard work and dedication have been greatly appreciated by our parent community.

We are happy to share this feedback through Parent's Corner platform of the School Newsletter 'PHOENIX'.

The school has all my good wishes for the release of the fourth edition of the School Newsletter.

राष्ट्रधर्म और हम

जया कुमारी
XII – C

अपने देश के प्रति लगाव एवं समर्पण की भावना राष्ट्रधर्म कहलाती है राष्ट्र धर्म ही तो है जो किसी भी देश के सभी नागरिकों को परंपरा ,भाषा ,जातीयता एवं संस्कृति की विभिन्न नेताओं के बावजूद उन्हें एक सूत्र में बांधकर रखता है ।

व्यक्ति के जीवन में धर्म एवं राष्ट्र की भूमि

व्यक्ति के जीवन में धर्म और राष्ट्र की महत्वपूर्ण भूमिका होती है । व्यक्ति जिस राष्ट्र में रहता है, उस राष्ट्र की संस्कृति व्यक्ति के जीवन को पूरी तरह प्रभावित करती है और व्यक्ति का धर्म उसे जीने का तरीका सिखाता है। धर्म और राष्ट्र की अगर तुलना की जाए तो धर्म से अधिक राष्ट्र महत्वपूर्ण होता है, क्योंकि धर्म राष्ट्र के अंतर्गत ही आ जाता है। इसलिए किसी भी व्यक्ति के जीवन में धर्म एवं राष्ट्र के संदर्भ में राष्ट्र की महत्व भूमिका अधिक महत्वपूर्ण होती है। राष्ट्र के अंदर ही धर्म, संस्कृति ,जीवन शैली सब कुछ आ जाता है। हालांकि व्यक्ति का धर्म उसके जन्म से उसके जीवन को प्रभावित करता है, उसके विचारों और उसके व्यक्तित्व के निर्माण की प्रक्रिया करता है। धर्म व्यक्ति को पृथक करता है, जो केवल एक विशेष रहन-सहन और जीवनशैली तक सीमित करता है ,वही राष्ट्र के रूप में व्यक्ति को एकजुट करता है धर्म के रूप में भले ही व्यक्ति की पहचान अलग अलग हो, राष्ट्र के रूप में सबकी एक सार्वभौमिक पहचान होती है। इसलिए व्यक्ति के जीवन में धर्म की अपेक्षा राष्ट्र की भूमिका अधिक महत्वपूर्ण होती है।

राष्ट्रीय धर्म एवं मानवतावाद

इस संसार में मनुष्य ही एक ऐसी प्राणी है जिसे सामाजिक कहा जाता है। सामाजिक उसी व्यक्ति को कहा जाता है जिसमें मानवता, भाईचारा, प्रेम इत्यादि तत्व विद्यमान होते हैं। कबीर भी कहते हैं कि "संत ना छाडै संतई ,जो कोटिक मिले असंतं, चंदन भावना बैठिया, तऊ शीतलता ना तजंत अर्थात संसारी व्यक्ति व सज्जन व्यक्ति को चाहे करोड़ों दुष्ट पुरुष मिले फिर भी वह अपने भले स्वभाव अर्थात मानवता को नहीं छोड़ता जिस प्रकार चंदन के पेड़ पर भले ही सांप लिपटे हो किंतु वह अपनी शीतलता नहीं छोड़ता। मनुष्य का विकास एक राष्ट्र में रहकर होता है। हर व्यक्ति अपने राष्ट्र से अपनी मां की तरह प्रेम करता है और राष्ट्र भी एक मां की तरह मानव के हितों ,आवश्यकताओं की देखभाल करता है।

Our Patriotic Heroes

Patriotism refers to the passionate love one has for his country. This virtue pushes to citizens of a country to work for their country selflessly and make it better. A truly developed country is made up of true patriots. As we have also got some patriotic heroes, they were the people who sacrificed their lives selflessly for the freedom of our country. Every country has its fair share of freedom fighters. People look up to them in terms of patriotism and love for one's country.

The amount of pain and hardship they have endured cannot be put into words. The generations after them will always be indebted to them for their selfless sacrifice and hard work. One cannot emphasize enough on the importance of those patriotic heroes after all they are the ones because of whom we celebrate Independence Day. No matter how small a role they played they are very much significant today as they were in those times. Moreover, they revolted against the colonizers so as to stand up for the country and its people. The most of them even want to safeguard the freedom of their people. It did not matter that they had no training, they did it for the pure intention of making their country free. Most of them sacrificed their lives in the war for independence. They are the pillars behind the freedom movement that made the people aware of their rights and their power. It is all because of the freedom fighters that we proposed into a free country free from any kind of colonizer or injustice. Some of them were Rani Lakshmi Bai, Netaji Subhash Chandra Bose etc.

Rani Lakshmi Bai who was a great freedom fighter. I have learnt so many things from this empowering woman. She fought for the country and despite so many hardships. A mother never give-up her country because of her child, instead she took her child to the battlefield to fight against injustice. Moreover, she was inspiring in numerous ways.

However, we see nowadays people are fighting for everything they stood against. We must come together to not let communal hatred come between and live up to the Indian dream of these freedom fighters. Only then will we honor their sacrifices and memory.

Thank you and Jai Hind.

I feel proud to be called part of OPJS family. The school and the faculty helped me groom and taught me to be a better person every day.

I remember how the teachers energized me to keep the competition alive in myself and always try to be the best which still helps me in my work life. I feel the zeal to be active and do my work at best and in the most efficient way.

Thank you to the whole OPJS family for such great learnings for life.
