PARENTAL CIRCULAR

Dated: 18th March, 2026

Dear Parents,

Congratulations! On your ward(s) being successfully completing another learning session and confidently appearing in the Annual/ Final term assessments. As the result declaration has been postponed to **28th March-2026 (SAT)**, ***we wish you to kindly take this duration as an opportunity to engage with your wards in a meaningful reflection on their learning trajectory, scope of improvement & plans to learn vivid skills ahead.***

Meanwhile, we have planned an Improvement Examination starting w.e.f. 19th March, 2026 (THU) for ONLY ELIGIBLE CANDIDATES during regular school hours (duly informed in person) alongside a session for our students of **classes IV – IX & XI**, to review their **Evaluated Answer Scripts on 20th March, 2026 (FRI)**. While the students appearing for the Improvement Examination shall travel with their parents, on all the days of examination, all the **students on 20th March, 2026 (FRI) shall commute as per the bus schedule circulated. The timings on 20th March, 2026 will be 08:30 AM – 12:00 Noon.**

As the digital/ documental identity & integrity in future holds an immense importance to the generations to come, we request you to kindly review the details/ biometric updates etc. of your wards, as desired by the appropriate government and update the same in the school. *A special Aadhar Enrolment/ Mandatory Biometric Update (Twice, after attaining the age 5 Years & then after attaining the age of 15 Years)/ Demographic Corrections* has been directed by UIDAI & initiated by the Government of Jharkhand, through the designated NODAL SCHOOLS. *You are requested to kindly visit HIGH SCHOOL, SAUNDA-D, to avail this priority service. Ensure your ward accompanies you to complete necessary update/ formalities etc.*

The Annual Result Announcement/ Report Card Distribution/ New Session Formalities Announcement etc. is scheduled to be held on 28th March, 2026 (SAT) between 09:00 AM and 12:00 Noon at Senior Wing premises of the school. Kindly NOTE that- **The report cards/ any document pertaining to your ward shall be handed over to the parents ONLY. Before claiming the due documents of your wards by YOU/ Your Wards/ Any Legal Guardian, ensure that all the dues of the school are settled before 26th March, 2026 (THU), else the school office shall not be able to release the same & financial fines/ penalties as per SOP will keep compounding.**

The long wait on the inaugural of the activities from the newly developed, state of the art school building is about to be over soon as it will commence functioning after the summer vacation. Since change in the premises shall require recalibrations with respect to the transportation cost, the revised transportation fees (as per the actual costing) will be communicated, after shifting. However, the tuition fees will see a hike in the range of 7.5% - 8.5%. It is imperative to mention that we charge only tuition fees in 10 equal instalments and w.e.f. session 2026-27 we are planning to charge transport fees also in 10 equal instalments for the sake of similarity.

Hope to see you all rejuvenating with your loved ones during the sacred days of festivities across the niche of varied cultural heritage called – "Bharat", "The India".

Jai Hind!

Gurudutta Pandey
