One day, two best friends were walking a lonely and dangerous path through a forest. As the sun began to set, they were scared but clinging to each other. Suddenly, he saw a bear on his way.

One of the boys went to a nearby tree and climbed it in a hurry. The other boy himself did not know how to climb the tree, so he lay on the ground pretending to be dead. The bear approached the boy on the ground and sniffed around his head.

Whispering something in the boy's ear, the bear went on its way. The boy climbed the tree and asked his friend what the bear had whispered in his ear. He replied, "Don't trust friends who don't care about you."
